| Mon 25th | Back to school |
| Tues 26 th | Year 5 O to RVHS science workshop |

14.2.19

Dear Parents and Carers,

Love has definitely been in the air at Abingdon today...we have had a very calm and relaxed Thursday!

Children's Assembly

We had a lovely Children's Assembly this morning with some very cool presenters! Thanks to all who came to share it with us.

World Book Day

On Thursday, March 7th it is World Book Day and there are lots of activities going on to celebrate this day. Not only are we asking children to come to school dressed as a favourite book character, but we are asking them to dress a potato and bring it to school! Mrs Sutton is sending a picture out on Class Dojo, but you can dress the potato in whatever you like! We are also setting a reading challenge where the children mark down their reading over 2 weeks and there will be prizes. On the day we are going to involve the school in writing a shared story from Reception to Year 6!

Computer games

Please make sure that your child is playing age-appropriate computer games. Some of the language used on computer games for older children is unacceptable for younger ones. We do not tolerate foul language in school, and if children are going to use it there will be consequences.

Family Active Challenge

On the back of this newsletter there is information about a Family Active Challenge, involving the whole family doing activities together...and there are prizes!

I hope that your half term break is a calm and peaceful one, and look forward to seeing everyone safe and sound on the 25th February.

Kind regards,

A.Naismith
Headteacher
