Random Acts of Kindness

Over the half term, teachers sent out a Random Acts of Kindness homework for everyone to join in with if they were able. Well done to all those who were able to make a positive impact on others; we know that everyone appreciated your efforts.

School Reopening

We are thrilled to hear that schools will open again from Monday 8th March. All of our children will be back on site that day; a separate letter detailing arrangements for drop off and pick up will be sent out early next week. Attendance expectations resume from that date; mainly children being on site one time every day, unless they are too ill to come into school or if they have symptoms of COVID-19. During the first few weeks, teachers and support staff will be focusing on reacclimatising children to being back in school, as well as focusing on sharing lived experiences of lockdown and sharing the positive of returning to on-site learning. We will also be having small scale parties in class to celebrate being back together. Teachers will send out more details to their respective classes. We look forward to seeing everyone then.

The isolation period for COVID-19 is 10 days. See the link below for more information

Stockport is still in **full lockdown** <https://www.stockport.gov.uk/coronavirus-in-stockport>

The current government advice is still:

If your child is displaying any of these COVID related symptoms...

- a high temperature
- a new, continuous cough
- a loss of, or change to, your sense of smell or taste

You should:

1) Keep your child off school, inform the school office and book a test.

<https://www.gov.uk/get-coronavirus-test>

2) Siblings or members of a childcare bubble must remain off school until test results are back -The whole family should self-isolate until the test results are returned.

3) If test is negative, your child/children can return to school (as long as they are well)

4) **If test is positive, keep your child at home for 10 days, other family members need to isolate for 10 days.**

Please contact school **immediately** so we can track and trace within the schools bubbles.

If you need medical advice the 111 website does have a symptom checker and will explain what to do.
