Club Ethos

Reddish Stars Junior Netball Club is an inclusive club and provides opportunities for young people to receive coaching and competition in league games at Stockport sport for all centres.

The Clubs aim is to ensure that all coaching is delivered by qualified or soon to be qualified coaches. These coaches will also be trained in and will have been screened for their suitability for working with young people.

We all have a duty to protect and safeguard children to create a safe environment for our children to enjoy their netball. Their safety and welfare are paramount. Reddish Stars Junior Netball Club takes the health and welfare of its junior members very seriously.

We also encourage parent involvement and are always looking for people who are interested in joining us in moving the club forward.

Due to current covid guidelines we can only accommodate a limited number of children at each of our training sessions. To attend, we ask that you contact us at the centre by phone or email.
