It's Coming Home!!

Whilst we will **not** be having a late start on Monday due to it being our in-house sports day, we have some special activities for children to enjoy, regardless of the result on Sunday:

- ☉ All children are welcome to come in wearing their football kits or own clothes (please remember sports clothes are needed for sports day activities in Reception, year 1, year 1/2, year 2 and year 3)
- ☉ Children can come to school with their face painted (this needs to be done before school as we will not be able to paint faces in school time)
- ☉ Children will have celebrations in their own classes

Final half term attendance recognition arrangements:

- ★ The class with the highest overall attendance each week will have an extra 'big play', where we get out the bubbles, big games and have 15 minutes of extra fun!
- ★ Each class who achieves 97% or higher each week, or who show great improvement, will have an own clothes day the following week.
- ★ **ALL children who have over 97% attendance for the year since 8th March return date, or who show good improvement of attendance, will have an end of year treat before we finish for the summer holiday. Attendance monitoring includes broken weeks and lateness.**

A huge 'well done' to all of our children who are coming in every day, on time. This week's Attendance Trophy was jointly won by **Y3/4 Kites** who had an attendance of **98.4%**. They will be recognised with an **own clothes day on Friday 16th July**, as well as their separate 'big play' sessions!

The following classes will also have an **own clothes day on Friday 16th July**:

Year 1 Squirrels 97.6%

Year 1/2 Foxes 97%

*****Please make sure your child is in school every day, on time*****

Transition Day

Our children had a wonderful day enjoying spending time with their new class teachers. I went round to each class and saw all the teachers getting to know their new class, and the children were setting a super example of how they are ready for the next year group. I will update everyone in a separate letter, but just to note that there are **no planned bubbles** for September (subject to direction from the Department for Education and Public Health England), and classes will be able to mix as they did prior to the pandemic. The children were all very excited today and the class teachers had a lovely day learning all about the children in their class. More transition activities will follow with class teacher reading stories to their new class before the end of term.

Summer Reading Challenge

Many of our children enjoy participating in the summer reading challenge and we are aiming to have as many children as possible from Abingdon taking part this year. **You will need to sign up for the challenge – details are below.**

The 2021 Summer Reading Challenge will be a celebration of reading, nature and action for the environment. Developed in partnership with WWF, the world's leading independent conservation organisation, **Wild World Heroes** will inspire children to stand up for the future of our planet.

Children will be able to join six fictional characters- “wild heroes”- to help solve some of the threats to the environment, while helping to restore nature levels in the neighbourhood of “Wilderville”.

The characters and landscape will be illustrated by children’s author Heath McKenzie.

Wild World Heroes will feature amazing books, awesome rewards, and plenty of ideas for taking care of our environment.

The digital challenge will be FREE to access, featuring games, quizzes and digital and downloadable activities to incentivise and encourage children and their families to take part in reading related activities at home.
