Dear Parents/Carers of Year 3 falcons, Year 3/4 Kites and Year 4 Owls.

## Change to timings!

I really hate changing things around, but I am also keen to minimise the amount of children isolating if a bubble closes, particularly during this lockdown period and currently the LKS2 bubble is our largest.

We have decided to keep the children in their own class bubble for now. (With the exception of swimming on a Thursday, and in that situation we know exactly which children have gone on each coach and can track and trace as required.)

Most of the time the children will not notice much difference to how things are now, but they will have separate playtimes and lunchtimes.

We will also need to tweak drop off for your key stage:

**Falcons – 8.40**

**Kites – 8.45**

**Owls – 8.50**

We will open the gates for Falcons at 8.40 and then leave them open for the other classes time slots so please just come in as usual and exit as usual keeping to the left as you pass other parents.

We would also ask that you don't come to earlier than your time, even though the gate is open, as it takes the children a few minutes to get up through school to their classrooms - therefore avoiding mixing.

**Pick up can stay the same as the children come and stand separately in the playground, but as usual please keep your distance from other families.**

**We want to do this as soon as possible, so it will start tomorrow – Wednesday 11<sup>th</sup> November**

If you have any questions, please speak to myself or your class teacher.

Kind Regards,

Claire Flanders  
Deputy Headteacher
